

BERRY SUNSET

[Skunkberry x Mandarin Sunset]

**GOOD PEOPLE.
GOOD CANNABIS.
GOOD DAY.**

 www.gooddayfarm.com

Berry Sunset is a hybrid strain that hits the palate with citrusy, fruity flavors that are deliciously tart and peppery. These fresh flavors and aromas are due to the terpene profile that may leave patients feeling hungry, relaxed, and happy. Berry Sunset is reported to alleviate symptoms of anxiety, chronic pain, and stress.
