Caryophyllene, Linalool,
Pinene

LINEAGE

Afghani Indica, OG Kush

KNOWN TO ALLEVIATE

- Pain
- Insomnia
- Stress

CONFUCIUS KUSH

Confucius Kush is a popular Indica dominant strain, crossed from Afghani India and a Hindu Kush. It is widely accepted as a member of the OG Kush family. This strain has a forestry scent, with an earthy pine aroma with a hint of incense, which is often described as vintage. The taste is packed with a sweet grassy lemon with a touch of sour pine flavor.
