## FRUIT CHEWS-CANNABIS-INFUSED

Good Day Farm fruit chews are made from real fruit and carefully infused with high potency hash oil, extracted from our very own premium cannabis. Our fruit chews are made with pectin making them 100% vegan. Pectin comes from the peels of ripe apples and oranges which gives our fruit chews their fresh fruit texture and delicious flavor. And good news! With a 200 degree melting point, our fruit chews will not melt in the summer heat.
