GOOD DAY J'S.**

PRE-ROLLS

- One gram of 100% premium full flower
- Organic and ethically sourced hemp rolling papers
- The most smokable pre-roll in the South

With a variety of pre-rolls to choose from, you're sure to find one to help you feel GOOD.

GOOD DAY J'S are made from premium full flower, meaning that the medicine within never contains shake or trim which can produce a subpar or harsh smoke. With a wide offering of premium strains, your favorite flower is now ready to light. In line with our dedication to sourcing the best materials, these papers are the world's finest European rolling papers. Wrapped in 100% organic and environmentally responsible hemp papers, GOOD DAY J's are made with vegan, gluten free, non-GMO, kosher, and pesticide-free materials.
